

REMARKS

Claim Amendment

The Claims for the above referenced application are preliminarily amended hereby. The amendment clarifies the PCT Article 34 Amendment and places the claims in proper form.

Specification Amendment

The Specification for the above referenced application is preliminarily amended hereby. The amendment clarifies the originally submitted PCT amendment.

Conclusion

Accordingly, it is respectfully submitted that Claims 1 through 7 define the invention over the prior art and notice to this effect is respectfully solicited. No new matter has been added.

Should the examiner believe further discussion regarding the above claimed language or specification would expedite prosecution they are invited to contact the undersigned at the number listed below.

Respectfully submitted,
